The proposal relates to the approval of plans and estimates for Rs.11,360/- in respect of the works mentioned against items (2) to (6) in para 2 below.

2. In G.O. 1112 Health dated 2-4-51 the Govt. approved the execution of the follg. works in the Govt.Hl.Puttur at a cost of Rs.8,000/-

	Rs.
(1) Leprosy clinic	800
(2) Improvements to operation theatre	500
(3) Improvements to inpatients wards	200
(4) Extension to kitchen	800
(5) Improvements to bath rooms	200
(6) Construction of new latrine.	3,000
(7) Construction of a new well.	2,500

The D.M.S. reports that an estimate for Rs.3640/- for the construction of Leprosy clinic in the Govt. Hospital, Puttur [item (1) above] was received by him from the P.W.D. and ~~the same~~ approved by him with reference to powers delegated to him, ~~and as regards~~ that as regards the construction of a new well in the hospital [item (7) above] ~~the~~ plan and estimate ~~is~~ are awaited from the P.W.D. and that the same will be subd. to Govt. if the cost of the estimate exceeds ~~the~~ his powers, ~~of the D.M.S.~~ viz. Rs.5000/-. He requests that the remaining works viz., items (2) to (6) above estimated to cost Rs.11,360/- may be approved.

3. The increase in the estimated cost of the works may perhaps be due to the present day cost of materials and labour. There is a provision of Rs.29.75 lakhs in the current year's budget in respect of improvements to Taluk Headquarters Hospitals.

4. This department may support the proposal and the file sent to P.W.D. and Finance for remarks.

In G.O.1112 Health dated 2-4-51 the Government approved inter alia the execution of the following works in the Government Hospital at Puttur in the S.Kanara District:-

	Cost Rs.
(1) Leprosy clinic	800
(2) Improvements to operation theatre	500
(3) Improvements to inpatients wards	200
(4) Extension to kitchen	800
(5) Improvements to bath rooms	200
(6) Construction of new latrine	3,000
(7) Construction of a new well	2,500

The D.M.S. has now submitted plans and estimates amounting to Rs.11,360/- in respect of items (2) to (6) above for the approval of the Government. It is stated that estimate for Rs.3,640/- relating to item (1) above

FAS-6CF

has been approved by him with reference to the powers delegated to him in para.438 of the P.W.D. Code and that the plans and estimates in respect of item (7) above are awaited from the P.W.D. and will be submitted to the Government, if the cost of the estimate exceeds his powers of sanction.

2. The increase over the estimates for items (2) to (6) on p.2 above is Rs.6,660/- and is stated to be due to the present day cost of labour and materials. There is a provision of Rs.5 lakhs in the current year's budget for improvements to Taluk Head Quarters Hospitals under '81.Capital Account of Civil Works outside the Revenue Account (P.W.R.-B.Medical). Health propose to approve the plans and estimates for the above works. Finance may agree. H.M.(Finance) may see as the increase is more than 10% of the draft approximate estimate of Rs.4,700.

3. With reference to A above, it is submitted that in respect of works approved in G.Os No.1112 Health dated 2-4-51, No.1428 Health dated 24-4-50 and 590 E.P.H. (Health) dated 22-2-49, it has been ordered that before the schemes are actually taken up, formal approval of the Government should be obtained vide G.O.2981 Health dated 29.8.51. In the past proposals for approving the plans and estimates in respect of schemes sanctioned in G.O.590 E&P.H.(Health) dated 22-2-49 were submitted to the Government, even though the estimates were less than Rs.5000/- vide G.O. No.630 P.W. dated 17-2-50, ~~3405 P.W. dated 28-6-50~~ and 4728 P.W. dated 27-12-50. In the circumstances, the D.M.S. may be asked to submit plans and estimates in respect of all schemes sanctioned in the G.O.s referred to at B above for the approval of the Government, irrespective of the fact whether the estimates are above or below Rs.5000/-.

4. As the D.M.S. has already sanctioned the estimates for Rs.3640/- in respect of item (1) on

p.2 above, orders may be issued approving the above estimate and ratifying the action of the D.M.S. (He will however, submit the plans and estimates in respect of item (7) in due course, in the light of instructions ~~above~~ in para 3 above).

25/10/51 If Health consider that in the case of estimates costing Rs. 5,000 or less the S.G. may himself accord approval, they may be requested to issue the necessary amendment to G.O. 2981 Health dt 29-8-51. ~~As the G.O. stands, it appears that Govt. sanction is necessary.~~ It is not clear why the D.M.S. asks for the sanction of Govt. in the cases disposed of in G.O. 630 Pur. 17-2-50 and G.O. 4724 P.Wr. dt 27-12-50 as the cost of the works in these cases was less than Rs. 5,000, while in the case of the work mentioned in p. 9 c/f he has himself sanctioned the estimate. The D.M.S. may be asked to clarify the position.

2 Pending examination of the points raised in para 1 above, sanction may be accorded to the estimate in respect of the works specified in items (2) to (6) in para 1 above.
